

Linecard

FREQUENCY PRODUCTS

CONNECTORS & CABLE HARNESS

DISPLAY & TOUCH SENSORS

ENCLOSURES & BOXES

SEMICONDUCTORS & WIRELESS

BATTERIES & OTHER ELECTRONICS

Oscillators, crystals, RTCs and filters. **Technologies:** standard, photolithographic and rubidium. **Specs:** Standard, oil&gas, MIL, space, high temp, GNSS and customization

Connectors, cable harness, block terminals, charging cables and customization

Displays, modules and monitors (LCD and OLED), touch sensors (PCAP and RES), transparent displays **Specs:** Standard, extreme temperature and customization

Shrinking tubes, enclosures, covers, racks, cabinets and transformers. **Materials:** plastic and aluminum **Specs:** Desktop, handheld, wallmount, DIN-rail, and customization

Microcontrollers, controllers (USB, graphic and audio), IGBT, SiC, IPM, diodes, transistors, thyristors, RFID, NFC, BLE and customization

Coin cells (lithium and silver oxide), battery holders, lithium ion polymer, resistors, sensors, shunts, compensators, alarms, buzzers, ultrasonic sensors, LED, lighting (indoor, outdoor and industry spec.)
