

Linecard

FREQUENCY PRODUCTS

Oscillators, crystals, RTCs and filters. **Technologies:** standard, photolithographic and MEMS. **Specs:** Standard, oil&gas, MIL, space, high temp, GNSS and customization

CONNECTORS & CABLE HARNESS

Connectors, cable harness, terminal blocks, EV-charging cables and customization

DISPLAY & TOUCH SENSORS

Displays, modules and monitors (LCD and OLED), touch sensors (PCAP and RES), transparent displays **Specs:** Standard, extreme temperature and customization

ENCLOSURES & BOXES

Shrinking tubes, enclosures, covers, racks, cabinets and transformers. **Materials:** plastic and aluminum **Specs:** Desktop, handheld, wallmount, DIN-rail, and customization

SEMICONDUCTORS & WIRELESS

Microcontrollers, controllers (power and harvesting), RFID, NFC, BLE, WiFi, industrial networking, positioning & inertial sensors and customization

BATTERIES & OTHER ELECTRONICS

Coin cells (lithium and silver oxide), battery holders, lithium ion polymer, resistors, sensors, shunts, compensators, alarms, buzzers, ultrasonic sensors, LED, lighting (indoor, outdoor and industry spec.)
